

Coldwater Board of Public Utilities

PROOF OF RECYCLING

PROOF OF RECYCLING

Proof of recycling is established when the retailer, delivery service provider, or recycling facility provides a receipt that demonstrates a consumers action to replace an old appliance. This form may be used in place of a recycling receipt provided by the retailer, delivery service provider, or recycling facility to establish proof recycling.

Certification of Recycling

By signing this form, the consumer and/or the retailer, Haul-Away service provider identified above certifies that the appliance collected from the consumer will be disabled and recycled. This certification is being given to satisfy a requirement of the Coldwater Board of Public Utilities Energy Optimization's Residential Appliance Rebate Program and will be relied upon as evidence of the proper disposal of the collected appliance.
