

Wastewater Treatment Trainee

The Coldwater Board of Public Utilities is seeking a motivated individual for the position of Wastewater Treatment Trainee. This is an entry level position at the CBPU's wastewater treatment plant. The successful candidate will be required to progress through the State of Michigan's Municipal Wastewater Treatment certification process, ultimately obtaining the Class B wastewater treatment plan license. Experience with municipal drinking water systems and/or industrial wastewater treatment is a plus.

Interested candidates please submit resume by December 31, 2011 to Sue Rubley, Coldwater Board of Public Utilities, One Grand Street, Coldwater, MI 49036. Email: resume@coldwater.org Phone: 517/279-9531. Equal opportunity employer.
