

RESIDENTIAL ENERGY EFFICIENCY PROGRAM

2016
INCENTIVE APPLICATION

**SIGN UP TODAY FOR
YOUR FREE HOME
ENERGY CHECK-UP!**

STEP 1: Make Sure Your Project is Eligible

Check the specifications listed in this application and/or speak with a CBPU advisor by calling (517) 279-9531 to make sure your project is eligible for CBPU incentives. All equipment must be new and installed or operated in a residential dwelling, whose electric service is provided by the Coldwater Board of Public Utilities.

STEP 2: Complete Your Project

Install your new, energy-efficient equipment and remove your old equipment, following the specifications listed in this application.

STEP 3: Apply for Your Cash Incentive

Once your project is complete, it's time to request your cash incentive. Within 30 days of project completion, you must submit:

- A completed and signed application
- Itemized invoice(s) for contractor-installed equipment, including installation date, costs for equipment installed and installation labor
- For furnace and central air conditioning units, the AHRI certificate
- For ENERGY STAR® products/equipment, the ENERGY STAR® logo and copy of invoice/receipt

☐ Check the box if you would like to be contacted in regards to a FREE Home Energy Assessment.

Certifications and Signature I hereby certify that: 1. The information contained in this application is accurate and complete. 2. All rules of this incentive program have been followed. 3. I have read and understand the Terms and Conditions included with this document. I agree to verification of equipment installation which may include a site inspection by a Coldwater Board of Public Utilities representative. I understand that I am not allowed to receive more than one incentive from this program for any one piece of equipment. I hereby agree to indemnify, hold harmless and release the utility from any actions or claims in regard to the installation, operation and disposal of equipment (and related materials) covered herein, including liability from any incidental or consequential damages. I understand that my submittal of the requested information is for the sole purpose of my program participation. I further understand that this information will be treated as confidential to the extent permitted by law. *Limited funds are available. Please allow 6-8 weeks to receive your Simply Efficient incentive. Check from the time your complete application is received by CBPU.

Here are a few other programs the CBPU has to offer!

Home Energy Check-ups

The Home Energy Check-up is a fast, easy way to increase the energy efficiency of a home and can help customers start saving immediately. After the Home Energy Check-up, customers will receive a report summarizing important findings, recommended improvements, and opportunities to reduce their energy use and costs, while improving the comfort of their home.

Refrigerator Retirement, Replacement & Recycling

Is your refrigerator over 10 years old? Does it use over 1,000 kWh? The CBPU will give you \$300 towards the purchase of new, high efficiency refrigerator!
