This program carries a manufactures warranty that covers all electromechanical equipment (i.e. washers, dryers, refrigerators and other appliances motor driven or mechanical in nature) and all electronic equipment (i.e. computers, televisions, stereos, microwaves and heat pumps). The manufactures warranty will replace or repair damaged electromechanical or electric equipment as a result of lightning or power surge passing through a failed surge arrester, up to \$50,000 per event. TERMS AND CONDITIONS ON BACK.
