

May Your Holiday Be Brightened **BY ENERGY-EFFICIENT CHEER**

Replace your old lights with new energy efficient LED ENERGY STAR holiday lights (light emitting diode), and receive a \$3.00 rebate per string for up to 10 strings.

Why switch to ENERGY STAR LED holiday lights this year?

They can last up to 10 times longer than traditional incandescent strands, and use 75% less electricity, saving you money.

Features of LEDs:

- Cool to the touch, reducing the risk of fire.
- No moving parts, filaments or glass, so they're much more durable and shock-resistant.
- Available in a variety of colors, shapes and lengths.
- Guaranteed to perform with a warranty.
- Independently tested to meet strict lifetime and electrical requirements.
- Subjected to weathering tests if labeled for outdoor use.

How do I get my Rebate?

Getting your rebate is easy. Simply purchase the LED Energy Star bulbs of your choosing. Then submit the bottom of this form along with the receipt of purchase to receive your rebate in the mail!

**limit ten boxes per customer account*

It's a smart investment that will reduce your energy usage and save money throughout the holiday season.
