CBPU Home Energy Check-up for Residential Customers

ELIGIBILITY

- This residential home energy check-up is offered by the Coldwater Board of Public Utilities (CBPU). For questions regarding eligibility, contact the CBPU at 517-279-6910.
- Residential electric customers of the CBPU are eligible to participate in the Home energy Check-up program. Customer must be billed under a residential class rate by the CBPU.
- Only single family homes or multifamily buildings of four or less units are eligible.
- Homes built after January 1, 2001 are NOT eligible.
- Customers may not receive more than one Home Energy Check-up every five years.

TERMS AND CONDITIONS

1. **Home Energy Check-up:** A signed application must be submitted to the CBPU at the address located in the application before a home energy check-up will be scheduled. Please keep a copy for your records.
2. **Home energy Check-up Fee:** Homeowners will be responsible for the Home energy check-up fee if any as detailed in the application form. The homeowner will be billed for the home energy check-up after the final report is completed and delivered. The CBPU reserves the right to refuse participation if the customer violates program rules or procedures.
3. **Information Sharing:** The CBPU reserves the right to publicize your participation in this program, unless you specifically request otherwise in writing. Information contained in this may be shared with State boards, commissions and departments.
4. **Program Discretion:** Home Energy Check-ups are available on a first come, first serve basis. This program and its fee amount are subject to change or termination without notice at the discretion of the CBPU. Neither pre-approval of a Home Energy Check-up, nor any other action by the CBPU, will entitle a customer to a Home energy check-up until the application is finally approved and scheduled by the CBPU.
5. **Logo Use:** Customers or trade allies may not use the name or logo of the CBPU in any marketing, advertising, or promotional material without written permission from the CBPU.
6. **Disclaimers:** The CBPU
 - a) does not endorse any particular manufacturer, product, labor or system design by offering this program;
 - b) will not be responsible for any tax liability imposed on the customer as a result of payment incentives of the program;
 - c) does not expressly or implicitly warrant the installation or performance of installed products or any contractor's quality of work (contact the product manufacturer or contractor for warranties);
 - d) Is not responsible for proper disposal/recycling of any waste generated as a result of this program;
 - e) Is not liable for any damage, injury, or loss of life arising from or relating to the removal, installation, or operation of any products or any other action taken by the customer or the CBPU, in connection with a project undertaken by a customer under the program described in this application;
 - f) does not guarantee that a specific level of energy or cost savings will result from the implementation of energy efficiency measures or the use of products funded under this program;

HOME ENERGY CHECK-UP LIMITS

- Eligible customers may request and receive home energy check-ups every five years.
- Energy saving measures or equipment may be provided during the home energy check-up and the measures may vary from customer to customer, month to month etc.
