CARDBOARD SLED RACES

Kiwanis Hill, Jan. 22, 11:00 AM - 1:00 PM

Rules & Regulations

- Cardboard Sleds must be constructed of only cardboard, duct tape and glue.
- Paint, glitter, paper, and other decorations are allowed if they do not pose a hazard.
- Wax may be used on the bottom of the sled.
- Absolutely no nails, screws, staples, or other sharp objects allowed anywhere on the sled.
- No wood, metal, plastic, PVC or other hard objects allowed.
- No corrugated plastics, cardboard that is bonded to other materials or epoxy reinforced cardboard.
- No tar-based substances, epoxy glue, fiberglass resin, varnishes or any other substances that harden into solids
- that may be deemed dangerous or may leave hazardous debris on the hill.
- Please use your best judgement and if you think something may pose a hazard or leave debris on the hill don't use it.
- All sleds will be inspected at registration. Disqualification for non-compliance with rules or any safety concerns will be at the inspectors' sole discretion.
- Sled must hold at least one person but no more than 2 for class I & II categories. Class III may hold 1 - 5 riders.
- All race participants are encouraged to wear a helmet (such as bike helmet) particularly if there are multiple riders on a sled.
